"Lie Close"

You won't move
So I won't follow
This used and makeshift path.
Born to serve,
Born seductive
To regulate our surges.
You will lie close.
You will lie covered.
I won't stare
And I won't stall you
As you turn to make your stand
Among the walking apparitions
That fade among the living.
You will lie close.
You will lie covered.
I will force aside the common revelation
That we'll formalize this constant evolution.
Here were stand striped and starving
As a stooped and tailored man.
We buy our lives and learn to spend it with swift and
held hands.
We're the answer that came before the goal.
We're no answer at all.
You and I were made for each other,
Like heroes fall we will fall,
You and I have made the mistake
To hear the call hear our call.
I'm a dreamer and you're a taker.
Sin for the soul and savor the labor.
Why are the kids and the cowards all in line?
