My brown eyed girl she lives in a brown world and lives
in her brown house
And wears lots of brown shoes, but she says she hates
brown

So here's my blue eyes to bring some color to your life
And you can take them home and put them in your
brown box

My brown eyed girl she lives in a brown world and
wears out her brown heart
And cries all her brown tears and she says she hates
brown

So here's my blue eyes to bring some color to your life
And you can take them home and put them in your
brown box
Show all your brown-eyed friends exactly who I am.

So sneak out your window and come with me to a place
were
mediocracy and chivalry rule and away from
everything brown
