It's not time to make a change
Just relax, take it easy
You're still young
That's your fault
There's so much you have to know
Find a girl
Settle down
If you want, you can marry
Look at me
I am old, but I'm happy

I was once like you are now
And I know that it's not easy to be calm
When you've found something going on
Take your time
Think alot
Think of everything you've got
For you will still be here tomorrow
But your dreams may not

How can I try to explain
When I do he turns away again
And it's always been the same
Same old story
From the moment I could talk
I was ordered to listen now
There's a way
And I know that I have to go away
I know I have to go

It's not time to make a change
Just sit down, and take it slowly
You're still young
That's your fault
There's so much you have to go through
Find a girl
Settle down
If you want, you can marry
Look at me
I am old, but I'm happy

All the times that I've cried
Keeping all the things I knew inside
And it's hard, but it's harder to ignore it
If they were right
I'd agree
But it's them they know not me
Now, there's a way
And I know that I have to go away
I know I have to go...
