I am your automatic lover  
Automatic lover  
I am your automatic lover  
Automatic lover  
I am your automatic lover  
Automatic lover  
I am your automatic lover  
Love in space of time  
There's no more feeling  
Automated love holdin'  
Appealing  
I'm longing to be touched  
Longing for a kiss  
Whisper words of love  
Tell me that you missed you  
See me, feel me, hear me, love me, touch me  
See me, feel me, hear me, love me, I can see you  
See me, feel me, hear me, love me, touch me, I can  
feel you  
See me, feel me, hear me, love me, I can see you  
See me, feel me, hear me, touch me, I can hold you  
See me, feel me, hear me, love me, he is dead  
Was his true reaction  
See me, feel me, hear me, love me, touch me  
See me, feel me, hear me, love me, I can hold you  
See me, feel me, hear me, love me, touch me, I can  
feel you  
See me, feel me, hear me, love me, I wanna love you  
See me, feel me, hear me, love me, touch me, I?
