You feel like it's real this new love you found
Does she have eyes like mine?
This new chance at a romance got you upside down
Does she have eyes like mine?

Just remember it was up to you
Who decided you could live without my baby blues
It'd be a long, long time
Till you see eyes like mine

Well, I waited up and I've taken up for you one last time
Does she have eyes like mine?
If you can't see that you need me then you must be
blind
Does she have eyes like mine?

No, it's not misguided to blame yourself
So don't try and lay the blame on someone else
It'd be a long, long time
Till you see eyes like mine

Eyes like mine, eyes like mine
You'll be a long, long time
Till you see eyes like mine

Eyes like mine, eyes like mine
Eyes like mine, eyes like mine

Just remember it was up to you
Who decided you could live without my baby blues
It'd be a long, long time
Till you see eyes like mine

Eyes like mine, eyes like mine
You'll be a long, long time
Till you see eyes like mine

Eyes like mine, eyes like mine
You'll be a long, long time
Till you see eyes like mine

Eyes like mine, eyes
