Hey baby, let me stay.
I don't care what your friend's about to say.
Aha, What your friends all say is fine,
But it can't compete with this pillow talk of mine.
Ooo You can't find love on a one way street.
It takes two to tango, takes two to even compete.
Oh yeah. So boy just put that stop sign down,
And let's get together before the day runs us down.

I'm pleading to you now,
Hey baby, Let me try,
To be the one who's gonna light your fire.
Aha, What your friends all say is fine,
But it can't compete with this pillow talk of mine.
Ooo I don't want to see you be no fool.
What I'm teachin' you tonight, boy, you never learned it
in school.
Oh no. Some friends who tell me wrong from right,
I'll ask to borrow their pad some cold and lonely night.

Hey baby, let me be,
The one who turns you on from a to z.
Aha, What your friends all say is fine,
But it can't compete with this pillow talk of mine.

Oooooooooooooooooooooo baby,
Ooo Ooo baby,
La la la,
La la la la.

Ahhh wouldja baby?
Wouldja baby?
La la la,
La la la la.

ly, ly, ly, ly, lliiyiyiyii

Oh little poochito,
Oh oh little poochito,
lliyiyiyii

Lie study,

Lie study,
Lie study,
Lie study,
liiiyiiiyii

Oh my God!!!

(Instrumental fade out)
