He'll treat you like a lady  
And a woman that you are  
Tell you what you wanna hear  
Promise you the stars  
Just when you think he's hung the move  
You'll find there are no strings  
Nothing's gonna tie him down  
He's chasing just one thing

Uuuuu huuuuu  
Rainbow rider  
Uuuuu huuuuu  
Rainbow rider

He'll fool you with his whispers  
Till you tremble to his touch  
That all the things you didn't feel  
Will tell you just as much  
If he ever hears the thunder roll  
And outside's a pouring rain  
He'll bolt just like the lightning  
Cause he's chasing just one thing

Uuuuu huuuuu  
Rainbow rider  
Uuuuu huuuuu  
Rainbow rider

He's a rainbow rider  
He believes the rainbow's end is out there  
He's a rainbow rider  
So lock your heart and hide your feelings somewhere

Uuuuu huuuuu  
Rainbow rider  
Uuuuu huuuuu  
Rainbow rider

If he stays at your window  
Your heart should know the score  
There won't be no looking back

When he finds he's at the door  
There's no silver linin'  
In the happiness he brings  
He'll always be a dreamer  
Chasing just one thing

Uuuuu huuuuu  
Rainbow rider  
Uuuuu huuuuu  
Rainbow rider

He's a rainbow rider  
He believes the rainbow's end is out there  
He's a rainbow rider  
So lock your heart and hide your feelings somewhere

Uuuuu huuuuu  
Rainbow rider  
Uuuuu huuuuu  
Rainbow rider

Uuuuu huuuuu  
Rainbow rider  
Uuuuu huuuuu  
Rainbow rider
