"Sweet Yesterday"

A room full of memories
I still feel your touch
Everywhere I turn I see you
Pictures on my dresser
Reminders of us
Time goes by
But I still love you

Sweet yesterday
Feelings that tomorrow cannot fade
Sweet yesterday
Years can't take away sweet yesterday

Pressed between pages
I find a faded rose
Words say I love you forever
Lasting impressions
That no one else could know
In memory we'll always be together

Sweet yesterday
Feelings that tomorrow cannot fade
Sweet yesterday
Years can't take away sweet yesterday

Sweet yesterday
Feelings that tomorrow cannot fade
Sweet yesterday
Years can't take away sweet yesterday
