I only keep your picture
Cause it fills an empty space on the wall
Sometimes I need someone to talk to
Otherwise I wouldn't call

If I'm hanging around you
It's because there's nothing better to do
And don't get the wrong idea
I'm not gettin' hooked on you

But who's kidding who
Telling everyone I'm nobody's fool
Love is a trap that I don't wanna fall into
But who's kidding, who's kidding who
Doing everything but facing the truth
I tried to tell myself I'm not in love with you
But who's kidding who

I even wrote down all the reasons
Why I shouldn't fall in love anymore
If I come home a little late
No one's waiting at my door

If I wanna see a movie
I can see the one that I wanna see
Someone always by my side
That's just something I don't need

But who's kidding who
Telling everyone I'm nobody's fool
Love is a trap that I don't wanna fall into
But who's kidding, who's kidding who
Doing everything but facing the truth
I tried to tell myself I'm not in love with you
But who's kidding, who's kidding who
Telling everyone I'm nobody's fool
Love is a trap that I don't wanna fall into
But who's kidding, who's kidding who
Doing everything but facing the truth
I tried to tell myself I'm not in love with you
