"A New Kind Of Army"

LOOK BACK...on history, nothing much has changed

THOUSANDS...of soldiers of all countries, all marching
the same

Every nation's leader says that our side is right

Every nation's leader says the time has come to fight

But they use the common people, to settle their scores

It's time that we refuse to fight in any of their wars!

We're looking to start a new kind of army, (that's) too
smart to fight, too

smart to die

We're looking to start a new kind of army, (that's) too
smart to fight, too

smart to kill...

for you!

JOIN NOW...the ranks of all nations who refuse to go to
war

REFUSE...to pull the trigger of a gun for leaders 'round
the world

I'd rather fight to spread some tolerance and unity

Than buy into their nationalistic brainwashing

Killing mothers, fathers, sisters, brothers, common
human beings

Not savages but people, like you, like me!

We're looking to start a new kind of army, (that's) too

smart to fight, too

smart to die

We're looking to start a new kind of army, (that's) too
smart to fight, too

smart to kill...

for you!

We're looking for a few good men

We're looking for a few good women

Who are not afraid to fight against tyranny

But refuse to fight...with tyranny

REFUSE!!!

We're looking to start a new kind of army, (that's) too
smart to fight, too

smart to die

We're looking to start a new kind of army, (that's) too
smart to fight, too

smart to kill...

for you
