He knew he was gonna get it bad  
as his dad bailed him out of jail  
leading him from the station.  
by a handful of his hair He said  
"i don't know what to do with you boy,  
I just don't understand?!?!  
what the hell makes you act like this?"  
and looking back this lost punk said,  
he said  
"I found it dad,  
I found the meaning of life  
You're only born so you can die."  
She was showered with money  
She was showered with jewels  
But her dad beat on her every day and night  
and there was nothing she could do  
She cut her wrists at seventeen,  
everyone wondered why  
she had it all,  
she was rich and pretty,  
but alone each night she'd cry...

She found it now,

She found the meaning of life

you're only born so you can die

They found it now,

they found the meaning of life

you're only born so you can die X2
