Slaughtered by the hands of a butcher

The hands of the butcher were the hands of a "doctor"

And these are the golden days that you want to bring back?

Making it illegal won't make it go away

The rich will fly to far off lands, the poor will stay and pray

That their back alley abortion is clean and safe

You can't make it go away, so why endanger women's lives?

Because the issue here for you isn't life...

IT'S CONTROL! Control of what we do and say

BUT YOU'LL NEVER GAIN CONTROL-CONTROL-CONTROL

Is to value life, to move a factory to,

The place that you can most easily fuck those laboring for you?

That isn't what I call a high value on life

And yet that is the policy of those on the right

Who back the brainwashed Jesus jumpers with the cash flow for the fight

But we won't let you control our lives

We're not gonna be, herded like your flock of sheep

I value life more than anything...

And your false morals, can't do a thing to brainwash  
me

I'LL NEVER BE YOUR'S-YOUR'S-YOUR'S

And there's no justice, in a system,

that's run by greedy old men, who want to control our  
lives

There's no justice in a system,

that's run by greedy old men, who want to control our  
lives

You're not gonna control our lives anymore
