Covered in leather, or plaid patches, or metal studs

Your hair is dyed or spiked with glue

You only talk to those who look and act the way you do

Cause you think you're so fuckin' cool

Punk. Punk. Punk.

Punk by the book.

You say that punk to you is what's in your mind not what  
you

wear, but you know you're so full of shit

You scoff at how the cops treat you, but they're no  
worse than

dicks like you! I just can't understand what you're  
thinking.

Punk Punk Punk.

Punk by the book.

You're punk by the book...HEY! HEY!

You're punk by the book! Book!
