They use the flag to control us

Brainwash us to be their patriotic slaves

Programs our minds by controlling what we learn

The only difference from the nazis is that

Someone tried to stop them

RED WHITE AND BRAINWASHED

The government says they're working for us

Just as long as we increase their pay

But the minute they get into office we're a has-been

A yesterday

RED WHITE AND BRAINWASHED

The red stands for the blood of all the people

We've slain

The white for this racist, bigoted foundation

The blue for your arayan eyes -- all empty

Empty because you're taught to bow down to the man"

Fly that flag, that flag of freedom"

"Do what you can for your country"

Go and fight their wars for them

"They're not following in our footsteps,

KILL THEM!"

RED WHITE AND BRAINWASHED

They call that being a patriot

I just call it ignorant

If you don't fight to make things better

Then you're the one betraying the country

RED WHITE AND BRAINWASHED
