their 2+2 does not equal 4

their 2+2 equals whatever, they want us to die for

chorus:

about face! - snap to attention

form your own conclusions to the things you see

about face! - sometimes the explanations

don't add - up to the facts

time and again they manufacture a cause

and rally the public around it, check out the movie "wag the dog"

killing - to further the interest of private corporations

killing - to control global economic situations

Killing - for personal gain (i.e. Bush in Panama)

Learn the fuckin' TRUTH you won't be so quick to sign on!

Our lives reflect tv sitcoms and tragedies

Like a bad joke, i ask, "how many of you don't see...?
and just how many...

How many of you swallow the lies...?

How many of you do not realize...?"

Gung ho and true - to the stars and stripes

they fuckin' brainwashed you, to do their bidding...

and like a flock of sheep - with wool over your eyes
you never stop to question - you just fall into line
the media's a business, that provides entertainment
their bottom line: money, and stories that will make it...
so they run with stories, that promotes the lies
to keep the ratings coming, wealth from promoting
world strife
life must be so easy, when you don't have to think
black and white like printing, from the newspaper's ink
i wish i had the chance, to reveal the lies
but you're so fucking brainwashed, would it even help
to try...
TO GET THROUGH... TO YOU!?!?
to get through, through, through, through, through,
through...
to get through to you
