"This Machine Kills Fascists"

Visit "[This Machine Kills Fascists](#)" on MotoLyrics.com

we've run out of patience, you've run out of time

this scene will not fall victim to your violence or lies

your "values" are nothing but excuses to start fights

quit fronting like you're standing for a moral cause
tonight

united as one

we won't stand aside

you try to fuck with our scene

we're gonna fuck your life!

chorus:

this machine, this machine, this machine, this
machine...

kills fucking fascists!!! dead! that's right! dead!

you don't have to be a racist, to be a nazi fuck

your mindless nationalism gives you credentials
enough

you spew your right wing rhetoric, when we got your
attention

you've mistaken the punk scene for the republican
convention

no more infiltration

no more right wing lies

you don't belong in our scene -- we'll fight you till we
die
