"Vieques Puerto Rico Bikini Revisited"

all united, all as one, let's make a stand

we've got a privilege in the power that we command

so let's not drown in ignorance and let our strength
waste away

as the richest nation in the world, we've got a
responsibility.

vieques, puerto rico, a protectorate -- of the U.S.A.

part a home to native families, the rest... a navy
bombing range!

shells misfired kill civilians there, and napalm hangs in
the island air

but the government beats down protests against this
misuse.

chorus:

so... stand up! fight back! resist-refuse!

'cause if we don't do it, no one's going to

sp... stand up! fight back! resist-refuse!

'cause if we don't do it, no one's going to

i look into the eyes, of a dead island boy's face

his (eyes) remind me of another's, from different time
and place

where a-bombs baked the ground, on bikini's tropical
lands

where a culture was erased, families misplaced, by a
nazi-esque like plan!

chorus:

all done, in your name, by uncle Sam

so if we don't fight it - then we're guilty too!

so... stand up! fight back! resist-refuse!

'cause if we don't do it, no one's going to

i think it's 'bout time that we had a change

i think it's 'bout time that we make a change
