All you ever do is brag about your dad
Well what the motherfucking hell did he
ever do?
He had some money, I guess he was fuck-
ing rich
Yeah, well if you ask me I think your dad
was a fucking dick

He was a rich man, your daddy's fucking dead
Your daddy was a rich man, your daddy's
fucking dead
He was a brainwashed, scum fucker,
Wasted mother fucking piece of shit

Dead...

Your daddy made alot of fucking money,
I guess that means he was a real fucking
honey?

Yeah more like your dad was just a moth-
er fucking scumbag Who had to stick a
needle in his dick to get high

Your daddy was a rich man, your daddy's
fucking dead
Your daddy was a rich man, your daddy's
fucking dead
Your daddy was a scumbag, mother fuck-
er, Fuckhead, asshole, piece of shit

He was a whore, a fuckin rich piece of
whore
