Spending these lonesome evenings with nothing to do  
but to live in dreams that I make up all by myself.  
Dreaming that you're beside me, I picture the prettiest  
story only to wake up all by myself  
What is the good of me by myself?

Why was I born?  
Why am I living?  
What do I get?  
What am I giving?  
Why do I want a thing I darn't hope for?  
What can I hope for? I wish I knew.

Why do I try to draw you near me?  
Why do I cry? You never hear me?  
I'm a poor fool but what can I do?  
Why was I born to love you?

Music

I'm a poor fool but what can I do?  
Why was I born to love you?
