some day ill feel no pain

someday i wont have a brain

theyll take away the part that hurts

and let the rest remain

fix me

fix my head

fix me please i dont want to be dead

someday well all be rich

someday i wont listen to you bitch

and ill turn up the volume

and give um all the shit to play

just for you

fix me

fix my head fix my head

fix me please i dont wanna be dead

some day ill feel no pain

someday i wont have a brain

theyll take away the part that hurts

and let the rest remain

fix me

fix my head

fix me please i dont want to be dead

fix it
