I was looking for a lover
Living underneath the sun
I thought I was the other
When I knew I was the one

*Caught a handle on the rising sun
Took a day to rise and fall
At the end of the trail I was scarred and burned
But I felt no pain at all

Walking through a world of lies
With a heart made out of stone
I looked deep into my eyes
And I knew I was alone

*

I'm a son of a son
I'm the son of the sun
My death trip
Has just begun
