Note: There are several different versions of this song, this is one of them

Your Jealous again

No, she's just a friend

Why can't I do anything without being yelled at?

Always on the phone

Never leave me alone!

Why don't you tell me what the fuck you want from me!

Chorus-

Say I'll Neva gonna leave ya

no, I'll never leave ya

not the end

no, it's not the end

I won't beat you up

I won't push you around

Cause if i do the cops will get me for doing it!

I wanna go and have some fun

Go where the action is

Who the hell are you to tell me who my friends are!

Chorus

solo

Chorus

Your jealous again

Your jealous again

Your Jealous again

And again and again
