He's too straight and you can wait

Modern man

I've only got time for a few, and not you

Modern man

I'll push you hard, I can't know you

Modern man

'Cause then we'd have to be friends, and that just won't
do

Modern man, Modern man

* Living tomorrow is everyone's sorrow

Modern man's daydreams have turned into nightmares

It's for you that I sing to share what I feel

Modern Man

The things I need in this world

Modern Man

If you don't like it, you can leave me alone

Modern man, Modern man

'Cause when I talk to you I want to hang up the phone

Modern man, Modern man
