Here are lyrics for Revenge by Black Flag

Promises you made

never became fact

We're gonna get revenge

you won't know what hit you

we're tired of being screwed

Don't tell me about tomorrow

Don't tell me what I'll get

I can't think of progress when

Just around the corner

There's a cold bed of pavement

waiting for me

Revenge! I'll watch you bleed

Revenge! That's all I need

I won't cry if you die

Cause we're gonna get revenge

you won't know what hit you

we're tired of being screwed

Revenge!

Revenge!

I hope this helps, I saw that someone wanted these
