"A Minute to Ourselves"

Visit "[A Minute to Ourselves](#)" on [MotoLyrics.com](#)

I need time awayâ€¦ away from all time,
To make a changeâ€¦ to change my mind.
I wanna give. I wanna share.
I wanna sing like it's a prayer.

If we only had a minute to ourselvesâ€¦

I could find hope there with You.
I could find something to do,
Even though I've been missing out for quite some time.
We could find places to go.
We could unlearn all we know.
I could be Yours and You'd be mine for all of time.

I got dirty hands. I got dirty feet,
From all the things I can't repeat.
I talk all the day 'bout how I want it to beâ€¦
But it's my own fault that I'm not free.
