I am the world
I'm the boys and the girls
I'm the dads on the grind
Payin' rent, punchin' time
I'm the guy on TV
Sayin' Jesus is near
I'm the man in the cell
I'm his courage of fear
I'm the trust that you give
And the honor you lose
I'm the future you change
Every moment you choose

I'm the now and the never when you got no more time
I'm the dream that is risin' in the back of your mind
I'm the sickness and cure
I'm polluted and pure
Baby I am the world, and I'm yours!

I'm the joy in the air
At the birth of your child
I'm the pressure to win
So your father will smile
I am the king
I'm the Zarr
I'm the Pope
I'm your finest good deeds
And your worst dirty jokes
I'm the prayer that you breath
When you got no more sleep
I'm the people you trust
I'm the people who leave

I'm the now and the never when you got no more time
I'm the dream that is risin' in the back of your mind
I'm the sickness and cure
I'm polluted and pure
Baby I am the world, and I'm yours!

I am the sun in the darkest of nights
I am joyous to the left

I am deaf to the right
I'm the dull of the blues
And the sting of the bruise
I am with you for good
I'm the world, I'm the rules!

I'm the now and the never when you got no more time
I'm the dream that is risin' in the back of your mind
I'm the sickness and cure
I'm polluted and pure
Baby I am the world, and I'm yours!

I am the world!
I am the world!
I am the world!
I am the world!
