Chorus:

I'm Free, to do what I want  
I'm free, to see what I need to see and it's you  
You're all that I want  
You and me, we will be together 'cuz I'm free

For the first time or the last time,  
don't tell me what to do... O Oeio  
My love will last forever,  
now it's only me and you.

When the time is right  
You can hold me tight and you will set me free.  
I am here to stay,  
Never walk away, 'cuz you have got to see...  
That I'm Free

[Chorus]

In all the good times or the bad times,  
I will stand by you... O Oeio  
As long as we stay together,  
we can pull us trough.

When the time is right  
You can hold me tight and you will set me free.  
I am here to stay,  
Never walk away, 'cuz you have got to see...  
That I'm Free  
All I want is too good to be true,  
All I want is just me and you,  
Life would be so easy,  
If you say to me ... That I'm free

[Chorus]
