I've been wrong
From the beginnin'
I've been wrong
From the beginnin'

If you've been losin'
While I've been winnin'
Then I've been wrong
From the beginnin'

I sit by the river
I got my feet in the water
I feel about a dollar
Like a feel about a daughter

If I've been laughin'
While you've been cryin'
Then I've been wrong
From the beginnin'

I got a house on the border
I got shoes made of leather
I got a robe made of velvet
I got a bed made of feather

If you've been freezin'
While I've been sleepin'
Then I've been wrong
And for that I'm weepin'

Have you been freezin'
While I've been sleepin'?
Then I've been wrong
And for that I'm changin'
