There's a rip like a hole
In the heart, in the soul
Of the man who wants
Nothing to do with love

There's a girl like a hope
That she could never know
If you say you want
Nothing to do with love

If you can never be true, it's got nothing to do
It's got nothing to do with love
If there's a devil in you, he's got nothing to do
He's got nothing to do with love

There's a kid who was told
When you give you get sold
So he says he wants
Nothing to do with love

There's a prayer that will rise
From the fields to the skies
Don't you say you want
Nothing to do with love

If you can never be true, it's got nothing to do
It's got nothing to do with love
If there's a devil in you, he's got nothing to do
He's got nothing to do with love

Never be true, it's got something to do
With the words that you said or the hell you've been
through
It's got nothing to do? It's got nothing to do?
It's got nothing to do? It's got nothing to do?

If you'll never be true, it's got nothing to do
It's got nothing to do with love
If there's a devil in you, he's got nothing to do
He's got nothing to do with love

It's got nothing to do, it's got nothing to do
It's got nothing to do with love
It's got nothing to do, it's got nothing to do
It's got nothing to do with love
