How sad it would be
If we couldn't see
The Rainbow lights at Christmas
Shining so bright
Into the night
To guide and lead us

Sparkling everywhere
People stop and stare
At the wonder and
Beauty of it all

Like the Stars that twinkle
In the sky
There to lead and To guide us

Oh Christmas lights
Shining so bright
A beacon of Hope
Peace on Earth
Joy and fun for everyone
At Christmas Time each year

Christmas lights
Shining so bright
A beacon of Hope
Peace on Earth
Joy and fun for everyone
At Christmas Time each year

Christmas lights
Shining so bright
That beacon of Hope makes
Peace on Earth
Let's have joy and fun for everyone
At Christmas Time each year
