Wanna wrap you up for Christmas
Take you home with me
Put you with the other gifts
Under the Christmas tree

Gonna fill your day with sunshine
Even if skies are gray
Show you what you mean to me
On this special day

When Christmas time is here
And joy is everywhere
The greatest gift of all is
The love that we share

When the day is over and
Christmas time is gone
It feels good to know that
We'll be going on

Even after Christmas Time
When all the trees are bare
The greatest gift of all
Is the love that we share

Instrumental

Even after Christmas Time
When all the trees are bare
The greatest gift of all
Is the love that we share

Wanna wrap you up for Christmas
Take you home with me
Put you with the other gifts
Under the Christmas tree

Have a Merry, Merry Christmas and
A Happy New Year
