The handshake seals the contract
from the contract there's no turning back
The turning point of a career
in Korea being insincere
The holiday was fun-packed
the contract, still intact
The grabbing hands grab all they can
all for themselves - after all
The grabbing hands grab all they can
all for themselves - after all
It's a competitive world
Everything counts in large amounts
The graph on the wall
tells the story of it all
Picture it now
see just how
the lies and deceit gained a little more power
Confidence - taken in
by a suntan and a grin
The grabbing hands grab all they can
all for themselves - after all

The grabbing hands grab all they can

all for themselves - after all

It's a competitive world

Everything counts in large amounts
