

Flames In "In Flames"

Behold the heart of mine in flames

A top the highest mountain

Below the darkest depths

In the valley of hate I wander

My frost bitten heart is set ablaze, set ablaze

Ravage my soul

Plunder my mind

Branded by thunder, fire and ice

Trampled in fury by hordes of the light

I am crushed by the hand of my sky

My sky has forsaken me

Rivers of crimson lead me now

Trail of fire

In a place of fire eternal

Left in flames

Scattered in a world of thorns

Torn from my earthly self

Aggreived in tears and bitterness

I fall beyond stars, beyond stars

Ravage my soul

Plunder my mind

Branded by thunder, fire and ice

Trampled in fury by hordes of the light

My firey heart is stronger than ever

It's stronger than ever before

My heart in flames
