So put away your hard - tack  
on the right track  
Swimmin' across my back  
as my favourite soaked like a choco - cocoa fleck  
This is a real trap  
Who's got the flipper x2  
Who's got tge groovy bukish snapper - whipper  
But this guy lost the space and romance  
and romance, he's got the flipper - face  
This guy's name is Asterix  
He knows some tricks  
Like seven pin - pricks  
and the fat boy Obelix is his friend  
They also like to slam!  
The bes in doing mixes, fixes,  
Cuz he likes the nixes  
But call it as you want  
This is a chop - bomb  
Lots in a dirty slop  
refrain:  
Asterix stacked da head up

He looks like a kerria

Asterix stacked da head up

His head is stacked up
