Ruthlessness is kicking your nasty ass

Blown in your own chest cuz it's a fuckin' blast

You're locked in the closet

Torpid like a blockhead

So you can only stick a wild pig without your dick

He's an agitator of playing the case - worms

He looks like a pener who sees the fuckin' problems

Cuz this flip is a trip

This is our flick

He's gonna give you a short shrift

Ringmaster found the groove

Ringmaster found the space

Let's play the sounds out loud

This is a kick in your face

This guy really wants to form yoy
