U're on the stage now

And the rhythm moves u like a storm blast

It steps, it's blowing inside your chest

We gotta play now

So don't be afraid

Having never flight over the mosh

refrain:

Headfirst into the crowd

What an awesome sight to see

Jump! Into the crowd

It's full of space here

U got no problems with security

U're free cuz we ain't disagree

Duck into the crowd

U must be so proud

Having never flight over the mosh

refrain

U're on the stage now

And the rhythm moves u like a storm blast

It steps, it's blowing inside your chest

This is the presence

So don't be afraid

Having never flight over the mosh
