U know best where's the truth

U know what's right for u

So fella don't make a mistake

I see u've taken the proper way

Wake up deaf!

Wake up deaf!

People go down the drain something

People go against anyway

Stick with us kid

So don't turn out that way

U've taken the proper way

Wake up deaf!

Wake up deaf!

U're not on of them sam

Cuz these people get led astray

It's about time to decide

One day I must realize

What u're gonna do

With your ears on straight

Wake up deaf!

Wake up deaf
