You've got to get up every morning With a smile in your face  
And show the world all the love in your heart  
The people gonna treat you better  
You're gonna find, yes you will  
That you're beatiful as you feel  
Waiting at the station with a workday wind a-blowing  
I've got nothing to do but watch the passers-by  
Mirrored in their faces I see frustration growing  
And they don't see it showing, why do I?  
You've got to get up every morning With a smile in your face  
And show the world all the love in your heart  
The people gonna treat you better  
You're gonna find, yes you will  
That you're beatiful as you feel  
I have often asked myself for reason for sadness  
In a world where tears are just a lullabye  
If there's any answer, maybe love can end the madness  
Maybe not, oh, but we can only try  
You've got to get up every morning With a smile in your face  
And show the world all the love in your heart  
The people gonna treat you better  
You're gonna find, yes you will  
That you're beatiful as you feel
