Wanting you tha way I do
I only want to be with you
And I would go to the ends of the earth
Cause, darling, to me that's you're worth

Where you lead, I will follow
Anywhere that you tell me to
If you need, you need me to be with you
I will follow where you lead

If you're out on the road
Feeling lonely, and so cold
All you have to do is call my name
And I'll be there in the next train

Where you lead, I will follow
Anywhere that you tell me to
If you need, you need me to be with you
I will follow where you lead

I always wanted a real home with flowers on the
window sill
But if you want to live in New York city, honey, you know
I will
I never thought I could get satisfaction from just one
man
But if anyone can keep me happy, you're the one who
can

And where you lead, I will follow
Anywhere that you tell me to
If you need, you need me to be with you
I will follow where you lead
