I was so lost in all my troubles  
I felt that everything I did was wrong  
I searched for help instead I found oppression  
They tried to break me but it didn't work  
So I don't care what people say  
Sometimes I stay sometimes I run away  
Nobody has to like the things I do  
And if you try to hurt me then f\*ck you too!  
I feel so low then I feel so high  
But when I play you make me feel alright  
For those who are dying of jealousy  
Don't even try to mess with me!  
I search
