Intro

Refrain (Ohne Text)

Refrain:

Maybe I'm too naive,
if I think, that my problems
will solve themselves.

Maybe I'm a fool
I don't understand the Rule,
All I wanna say is: wake me!

Strophe 1:

Trappin' in a life,
filled with mistakes
can't find a way
out of these fakes.

I'm losing my mind
In this dark cage
I'm becoming mad,
I'm going to rage!

Refrain...

Strophe 2:

Why do I still live,

never've seen a chance to improve my life.

Charge my battery!

I don't wanna have to use a knife.

Every Night I wonder,

how long that must go on,

this is a game,

which will never be won!

Refrain...

(2x) I wanna fly, into the sky,

I wanna see, the stars round me

And when I come back,

my problems are still in my neck!

Refrain...

Refrain...

I don't want to live in a lie,

till the time comes, when I must die,

that's not the cause I'm living for!

Maybe I'm a fool

I don't understand the rule,

All I wanna say is: wake me
