If you wanna live inside my head
Wanna see what I have said
I will make you tremble
You'll tremble
It's fine with me

I will make you understand forever
I'll make everybody disappear
I will make you hold my hand forever
Until I'm standing clear

Magical
Mystical
Life's a ball
Never had a girl like you

Insecure
Give me more
Not so sure
Never had a girl like you

I will make you sacrifice the lot
Once you see what I have got
I can be deceitful
Deceitful
It's fine with me

I will make you understand forever
I'll make everybody disappear
I will make you hold my hand forever
Until I'm standing clear

Magical
Mystical
Life's a ball
Never had a girl like you

Insecure
Give me more
Not so sure
Never had a girl like you

Incomplete
Not so sweet
Miss a beat
Never had a girl like you

Starry eyed
*Clarified
Over lief*
Never had a girl like you
