I've dealt with my ghosts...
And I've Faced all my demons...
Finally content with a past I regret...
I've found you find strength in your...
moments of weakness..
For once I'm at peace with myself...
I've been burdened with blame
trapped in the past for too long...

I'm Moving On.....

I've lived in this place...
and I know all the faces
Each one is different...
but they're always the same
They mean me no harm but it's time that I face it...
They'll never allow me to change...
But I never dreamed home would end up...
where I don't belong...

I'm Moving On...

I'm Moving On...
At last I can see...
Life has been patiently waiting for me...
And I know there's no guarantees...
But, I'm not alone

There comes a time in everyone's life
*When all you can see are the years passing by (are
the years passing by)*
And I have made up my mind...
that those days are gone...

I sold what I could...
And packed what I couldn't...
Stopped to fill up on my way out of town...
I've loved like I should...
But lived like I shouldn't...
I had to lose everything to find out...
Maybe forgiveness will find me...

somewhere down this road...
