I miss Mayberry NaNaNaNaNa NaNaNaNaNaNa

NaNa NaNaNaNaNa NaNaNaNaNaNa

Sometimes it feels like this world is spinnig faster

Than it did in the old days

So naturally we had more natural disasters

From the strain of a fast place

Sunday was a day of rest

Now it's one more day for progress

And we can't slow down, and we can't slow down

'cause more is best, 'cause more is best

It's all an endless process

Well I miss Mayberry sittin on the porch

Drinkin' ie cold cherry coke

For everything is black and white NaNaNaNa
NaNaNaNaNaNa

Pickin' on my six strang

When people pass by andyou call them by their fist
name

Watchin' the clouds go by,bye bye, bye

Sometime I can hear this whole earth shouting

Through the trees of the window

Thats when I climb up here on this mountain

To look through God's window

Now I can't fly

But I got two feet to get me high up here

Above the nointed city streets

My worries his up here

Well I miss Mayberry sittin on the porch

Drinkin' ie cold cherry coke

For everything is black and white NaNaNaN
NaNaNaNNaN

Pickin' on my six strang

When people pass by andyou call them by their fist
name

Watchin' the clouds go by,bye bye, bye

Sometimes I dream I'm Drivin

Down an old dirt road, down an old dirt road

Not even listed on my mind

I pass a dad and son carrying a fishing pole

But i always wake up everytime

I try to turn back

I miss Mayberry sittin on the porch

Drinkin' ie cold cherry coke

For everything is black and white NaNaNaN
NaNaNaNNaN

Pickin' on my six strang

When people pass by andyou call them by their fist
name

Watchin' the clouds go by,bye bye, bye, bye bye, bye

I miss Mayberry NaNaNaNaNa NaNaNaNaNaNa

NaNa NaNaNaNaNa NaNaNaNaNaNa

I miss Mayberry NaNaNaNaNa NaNaNaNaNaNa
