Ah, yeah

Ah, yeah, yeah

Before we met I was free

I never had to worry about anyone but me

Now that boy is gone and in his place

Is a man who needs to hold you night and day

So if I stumble, if I fall

Forgive me, Im just learning as I go along

See me through, see me through

This aching heart has come so far

To be with you, see me through

With angel eyes, just look inside

At all this love I never want to lose

See me through

I know sometime I let you down

But Im still getting used to having you around

And if I ever make you cry

Theres nothing I wont do to make things right

Im not perfect and thats for sure

A little time is all Im asking for

See me through, see me through

This aching heart has come so far  
To be with you, see me through  
With angel eyes, just look inside  
At all this love I never want to lose  
See me through  
See me through this mask I wear  
Well, I'm almost there, you know I care  
I am the man you always thought you knew  
See me through, see me through  
This aching heart has come so far  
To be with you, see me through  
With angel eyes, just look inside  
At all this love I never want to lose  
See me through  
See me through, yeah see me through  
Oh, see me through  
Yeah, yeah -  
Oooo, Oooo, Oooo, see me through  
Oh, we're almost there, can't you see that  
I'm almost, girl I'm almost there  
This mask I wear  
Girl, I'm almost there, I'm almost there  
See me, see me through this mask I wear  
I'm almost there  
Oooo, Oooo, Oooo, girl

See me through, girl
