Hey baby, is that you

Wow your hair got so long

Yeah, Yeah I love it I really do

Norma Jean, ain't that the song we used to sing in the car

Drivin down town, top down makin' the rounds

Checkin out the bands on Loreni Ave.

Yeah life throws you curves

But you learned to swerve

Me I swung and I missed

And the next thing you know I'm reminissin'

Dreamin old dreams

Wishin old wishes, like you would be back again

I wake up in teardrops that fall down like rain

I put on that old song

We danced to and then

I head off into my job

Guess not much has changed

Punch the clock, Head for home, Check the phone

Just in case, Go to bed, Dream of you

Thats what I'm doin' these days

Yeah thats what im doin'

Someone told me, after college

You ran off to Vegas and married a rodeo cowboy

Wow that ain't the girl I knew

Me I've been a few places

Mostly here and the once or twice

Still sortin' out life but I'm doin all right

Yeah it's good to see you too

Well hey girl your late

And those planes don't wait

But if you ever want to come back to this sleepy town

Promise me you'll stop in to see an old friend

But until then

I wake up in teardrops that fall down like rain

I put on that old song

We danced to and then

I head off into my job

Guess not much has changed

Punch the clock, Head for home, Check the phone

Just in case, Go to bed, Dream of you

Thats what I'm doin' these days

Baby, I wake up in teardrops that fall down like rain

I put on that old song

We danced to and then

I head off into my job

Guess not much has changed

Punch the clock, Head for home, Check the phone

Just in case, Go to bed, Dream of you

Thats what I'm doin' these

I wake up in teardrops that fall down like rain

I put on that old song

We danced to and then

I wake up in teardrops that fall down like rain

I put on that old song

We danced to and then
