verse: Tell me, who you gonna call when the nights are rough, and the days wear you down to where you've had enough? Who you gonna call to be by your side, when you need to get away and there's no place to hide? Who you gonna call? Who you gonna call to give you a hand, when you need help and no one understands? Who you gonna call when you're feeling blue and you need someone to comfort you? Who you gonna call?

chorus: Who-you-gonna-call? Is it me, could it be? Who-you-gonna-call? Or is it someone else? Who-you-gonna-call? Is it me, could it be? Who-you-gonna-call? Who you gonna call?

verse: Tell me, who you gonna call when you're tongue-tied and you don't know how to say how you're feeling inside? Who you gonna call when your heart aches and your head feels like an earthquake? Who you gonna call? Who you gonna call when people are unfair? You tell them your troubles and they don't care. Who you gonna call when you're all alone? You're feeling scared and you can't go home. Who you gonna call?

chorus

All: Who you gonna call? Who you gonna call? When you
