The word is out that I'm a bad "g"

Girl you know that's crazy

They just don't know a damn thingg about me

I hope that you're not hesitatin'

'Cause you know I got a reputation baby

'Cause you're bringin' out the man in me

Oh lady it's my natural reaction

Girl you know I wanna get with you

And give you satisfaction so won't you call me girl?

[CHORUS]:

Call me if you want me

'Cause I got somethin' that'll make you happy

Call me, if you need me

'Cause you got something, make me come runnin'

Girl it's not too hard to see

That I, am diggin' on you baby

And you're makin' it hard for me

'Cause I need to know if you feel it too, girl

No doubt you really got it goin' on, (ooo baby)

I'd like to get to know you better

And you know that you can call me, girl

Baby, day or night, in any kind of weather

CHORUS

'Cause I don't wanna be a player no more

Just say the word and I'll be right at your door

CHORUS
