CHORUS]:

Tell me tell me tell me why

Why you tell me lies even after all I do for you?

And tell me tell me tell me why I try

Try to be your guy even all you put me through?

Enough's enough my dear

No longer can I take this pain inside

You know the truth is that you look me for a ride

I guess I never did enough to keep you satisfied

It's a cruel deception

You told me that you loved me when it wasn't even true

Inspite of all the love I give to you

Nothing in the world I wouldn't do

To keep you happy, to make you happy

Oh, tell me why

CHORUS

The sun shines bright again

And all the tears I've cried for you have been washed
away

Because all the things I did for you just seemed in vain

Tell me what game you play, oh baby

I've been so true to you

Gave you all the things in a man could ever give to you

And when you were down my love was there to see you
through

Baby, what am I to do?

Someone tell me why

CHORUS

Oh girl

I tried giving you the best of me

I was so blind but baby now I see

you tell me all the time, that everything is fine

When you know that's a lie, lie, lie
