"Go Your Own Way"

Loving you isn't the right thing to do
How can I ever change things that I feel?
If I could maybe I'd give you my word
How can I when you won't take it from me?

You can go your own way
Go your own way
You can call it another lonely day
You can go your own way
Go your own way

Tell me why ev'rything turned around
Packing up shaking up is all you wanna do
If I could Baby
I'd give you my world
Open up ev'rything's waiting for you

You can go your own way
